

Looking for a more efficient and less costly way to recruit personnel?

Let Stanard & Associates handle the application process for your agency at NO COST to you!

Stanard & Associates (S&A), the leader in public safety testing, is pleased to announce ApplyToServe.com, an online employment application management service designed to make public safety application processes and employee hiring a breeze. ApplyToServe.com can be used for entry-level police, fire, dispatcher and correctional officer hiring.

This comprehensive program handles all facets of the application process, including (1) distributing and collecting candidate applications; (2) organizing, verifying and recording required documentation; (3) answering applicant inquiries; and (4) producing a complete listing of eligible applicants ready to move on to the next phase of the hiring process.

With ApplyToServe.com, your own staff will be freed from the time-consuming and tedious tasks associated with the application process. Best of all, the cost of ApplyToServe.com can be covered entirely by a fee charged directly to the applicants, resulting in a tremendous cost savings to your agency versus traditional application processes.

Here's how it works:

- 1 S&A works with the department to confirm the application questions and requirements.
- 2 S&A includes this information on its ApplyToServe.com website.
- 3 Applicants are directed to ApplyToServe.com to review the job requirements, pay the application fee by credit card via a secure site, answer the application questions, and upload required documents.
- 4 Applicants contact S&A with questions concerning the application process and to submit their application and supporting documents directly to S&A.
- 5 S&A reviews all documentation submitted, creates a PDF file for each applicant, and verifies that all minimum requirements have been fulfilled to go on to the next step of the process.
- 6 S&A conducts a conference call with department representatives to review the applicant data and provide a listing of all applicants who have fulfilled your requirements thus far, along with the status of all other applicants.
- 7 S&A contacts all applicants via email, informing them of their status in the process and directing them to the next steps, if applicable.
- 8 S&A provides the department with a USB flash drive containing all submitted application documents for your personnel records.
- 9 Most agencies set an application fee to cover the cost of the written exam component too (S&A can provide the written exam as well).
