ARE YOU PREPARED?

EVERY MINUTE COUNTS DURING A SUDDEN CARDIAC ARREST

For those who get there first

Approximately 365,000 cardiac arrest emergencies are reported annually. It can strike anyone, anywhere, and at anytime without warning and is the leading cause of death in the United States.

If a cardiac arrest victim receives a shock from an AED (automated external defibrillator) within 3 minutes of collapse, their chances of survival increase by 74%.

Police and law enforcement officers are often first to the scene of a cardiac arrest event arriving several critical minutes before medical emergency personnel.

By rapidly deploying AEDs on the scene, officers have the unique ability to apply early defibrillation and increase cardiac arrest survival rates. Be prepared to save a life today.

Philips HeartStart FRx AED

Rugged and reliable, the FRx AED by Philips Healthcare is designed for those that get to the scene first. Surpassing rigorous testing requirements, the FRx can withstand jetting water, loads up to 500 pounds, and a one meter drop onto concrete.

Contact AED.com today to order.

Call 855-233-0266 or visit www.AED.com for a free AED consultation.

A Word from the Publisher

HomeTown Publishing, Inc.

The information contained in this directory has been collected and compiled to insure maximum accuracy. Our staff has attempted to contact every police department, sheriff department and correctional facility by email, fax, and phone to obtain their most current information. In some cases, however, we were unable to make contact and have used the most current data available to us through third party sources.

While we have made every effort to provide the most up-to-date information possible, we cannot guarantee the accuracy of all information. We apologize in advance for any errors/omissions that occur. ***Our goal is excellence in all we do.***

Please forward any changes/corrections/additions, etc. to us at: hometownpublishing@yahoo.com to be included in the next edition of the Kentucky Law Enforcement Directory.

Thank you for the privilege of serving you.

get the **right**
information.

ProQA® Paramount structured
calltaking means all the right information
is gathered.

Faster calltaking time
means shorter time to dispatch.

at the **right** time.

to the **right** people—
every call.

That means faster, safer responders
and safer communities.

**Priority
Dispatch**

Prevention Through Education . . .

From our inception, the mission of L.A.W. Publications is to educate children and adults about the dangers of alcohol and drug abuse, as well as a variety of safety issues such as identity theft and violence prevention. We accomplish our mission by:

- Working hand in hand with local law enforcement agencies.
- Developing and publishing up-to-date educational materials.
- Providing exceptional service to law enforcement and the communities that they represent.

ARE YOU PREPARED?

EVERY MINUTE COUNTS DURING A SUDDEN CARDIAC ARREST

For those who get there first

Approximately 365,000 cardiac arrest emergencies are reported annually. It can strike anyone, anywhere, and at anytime without warning and is the leading cause of death in the United States.

If a cardiac arrest victim receives a shock from an AED (automated external defibrillator) within 3 minutes of collapse, their chances of survival increase by 74%.

Police and law enforcement officers are often first to the scene of a cardiac arrest event arriving several critical minutes before medical emergency personnel.

By rapidly deploying AEDs on the scene, officers have the unique ability to apply early defibrillation and increase cardiac arrest survival rates. Be prepared to save a life today.

Philips HeartStart FRx AED

Rugged and reliable, the FRx AED by Philips Healthcare is designed for those that get to the scene first. Surpassing rigorous testing requirements, the FRx can withstand jetting water, loads up to 500 pounds, and a one meter drop onto concrete.

Contact AED.com today to order.

Call 855-233-0266 or visit www.AED.com for a free AED consultation.

**More Features,
More Benefits,
More Vest.**

Introducing Elbeco's **V2** External Vest Carrier.

The newest member of the V Series family of products is packed full of all-new features, including:

Prevention Through Education . . .

From our inception, the mission of L.A.W. Publications is to educate children and adults about the dangers of alcohol and drug abuse, as well as a variety of safety issues such as identity theft and violence prevention. We accomplish our mission by:

- Working hand in hand with local law enforcement agencies.
- Developing and publishing up-to-date educational materials.
- Providing exceptional service to law enforcement and the communities that they represent.

The advertisement for Triggers Firearms features a large, stylized blue handgun graphic in the center. The word 'TRIGGERS' is written in a large, blue, outlined font above the handgun. Below it, 'TRIGGERS-FIREARMS.COM' is written in white on a red horizontal bar, and 'FIREARMS' is written in red below that. The background on the left is a blue and white starburst pattern. At the bottom, there are several logos: a red and white 'MAGPUL' logo, a red 'RUGER' logo with a rooster emblem, a circular 'GLOCK' logo with 'SAFE ACTION PISTOLS' and 'USA' text, and a circular logo with a star and the letters 'NVA'. A small image of a product box is visible in the bottom right corner.
